# Sealing Municipal Cases Information Sheet

Information adapted from material produced by the Ohio Justice and Policy Center, the Legal Aid Society of Columbus, and Southeastern Ohio Legal Services

To apply for record sealing, the applicant can complete the appropriate sealing packet as provided by the Clerk of Courts office.

## Can I seal my case?

An applicant can seal a case if the case is eligible for sealing and there are no open or pending criminal cases, including warrants and traffic cases. The Ohio Revised Code (R.C.) provides the types of cases that can be sealed.

## What case is eligible?

Any dismissal can be sealed.

Most municipal convictions can be sealed, except for:

- The following traffic-type cases, unless R.C. 2953.61(B)(1) applies:
  - R.C. 4506: Commercial Driver’s Licensing offenses
  - R.C. 4507: Driver’s License offenses
  - R.C. 4510: Driver’s License Suspension offenses
  - R.C. 4511: Operation of Motor Vehicles offenses
  - R.C. 4549: Motor Vehicle Crimes
- Sex offenses where the offender must register pursuant to R.C. 2950
- Offenses where the victim was under 13 (except non-support of dependents under R.C. 2919.21)
- Domestic Violence (R.C. 2919.25)
- Violations of a Protection Order (R.C. 2919.27)

There are exceptions and special cases, so if you are unsure if your case is eligible, please consult with a lawyer or contact a clinic such as the University of Akron Reentry Clinic

## When can I apply?

It depends on the level of offense. After there is a final entry and all sentencing/files/obligations are complete, the applicant must wait an additional amount of time based on the level of offense, as defined by R.C. 2953.32(B)(1)(a):

- |                                   |                    |
|-----------------------------------|--------------------|
| • Dismissal:                      | No additional time |
| • Minor Misdemeanor:              | 6 months           |
| • Most Other Misdemeanors:        | 1 year             |
| • Theft in Office (R.C. 2921.43): | 7 years            |
